Event:  
**National Science Day 2025**

Organised By:  
**Giant Meterwave Radio Telescope  
National Centre for Radio Astrophysics  
Tata Institute of Fundamental Research, Pune  
28th February - 01st March, 2025**

## National Science Day

February 28th is celebrated throughout India as National Science Day. This marks the discovery of the Raman Effect by C. V. Raman for which he was awarded the Nobel Prize in Physics in 1930. National Science Day. National Centre for Radio Astrophysics - Tata Institute of Fundamental Research, Pune (NCRA-TIFR) celebrates Science Day by organising one of the biggest science festivals in the country on February 28 and 29, or February 28 and March 1, at its Giant Meterwave Radio Telescope (GMRT) campus in Khodad.

## Giant Meterwave Radio Telescope (GMRT)

National Centre for Radio Astrophysics (NCRA), a center of the school of natural sciences of the Tata Institute of Fundamental Research (TIFR), Department of Atomic Energy, Government of India has set up a unique facility for radio astronomical research using the metre wavelengths range of the radio spectrum, known as the Giant Metrewave Radio Telescope (GMRT). It is the world's largest Radio telescope of its kind. It is located at a site about 80 km north of Pune. GMRT consists of 30 fully steerable gigantic parabolic dishes of 45m diameter each spread over distances of upto 25 km. GMRT is one of the most challenging experimental programmes in basic sciences undertaken by Indian scientists and engineers. GMRT is a very versatile instrument for investigating a variety of radio astrophysical problems ranging from nearby Solar system to the edge of observable Universe.

## Science Day at GMRT

Every year GMRT has been organizing Science exhibition on the occasion of National Science Day (28th February). It is organized for two days. The first day i.e 28th February is the inauguration day and the following day is closure and prize distribution ceremony. GMRT has been organizing this event since the last 19-20 years and it has been recognized as one of the biggest Science fairs in the country. This Science festival attracts around 20,000 to 25000 visitors, including students from various schools (5th to 10th grade), colleges (BSc, MSc, Engineering), teachers, software professionals, major science research organisations, scientists and research scholars throughout the state/country.

Every year the government organizations like National AIDS Research Institute (NARI), National Institute of Virology (NIV), National Centre for Cell Sciences (NCCS), National Institute of Tropical Meteorology (IITM), Society of Automotive Engineers (SAE), Pune, Indian Space Research Organization (ISRO, SAC), Ahmedabad, Institute of Plasma Research, Gandhinagar, TIFR Balloon Facility Hyderabad as well as non-profit organisations like Pune FOSS User Group, Free Software Community of India, Debian India, Mozilla India 20 other organizations participate in the GMRT Science Exhibition.

## About Debian Project

Debian is an operating system consisting entirely of Free and Open Source Software. Debian set of guidelines serves as an example for many other projects. Debian's high quality standards and adherence to its strict policies makes it a preferred choice for derivative works. Currently, over 120 actively developed operating systems build on Debian, including the widely popular Ubuntu and Linux Mint distributions, and Kali Linux. The Debian Project takes pride in being built upon by others. Debian volunteers work actively with teams deriving their distributions from Debian, to maximize the benefits for all.

The Debian Project's key strengths are its volunteer base, its dedication to the Debian Social Contract, and its commitment to provide the best universal operating system. Debian is produced by over a thousand active developers, spread across the globe, many of whom volunteer in their spare time. Unlike all other Linux distributions of similar size, Debian is an independent non-profit organization. Debian's dedication to Free Software, its non-profit nature, and its open development model makes it unique among Free Software distributions.

## Pune FOSS User Group

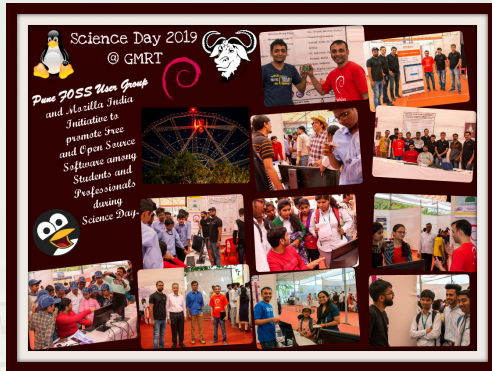

Pune FOSS User Group has been actively promoting Free and OpenSource Software for more than last 10 years. The group is a collective effort of Free Software users, advocates and developers. We collaborate, do the communication and maintain infrastructure for everyone that respects their freedom and privacy. During the Science Day on 28th Feb, to be organised in GMRT, our effort is to promote the importance of FOSS among the students, software professionals, and researchers and to show them how they can use OpenSource in their day-to-day life.

## What we will do at Science Day

The Pune FOSS User Group (PFUG) wants to use this opportunity (by setting its stall) to showcase the importance of Free and Open Source Software (FOSS) and its use in everyday life. We intent to promote FOSS such as Debian, Raspbian on Raspberry Pi, Mobian, CentOS, Diaspora (an alternative to social media platform based on FOSS principles), Moodle, Trac, LaTeX, Emacs, Git, Gimp, OpenSource BigData Technologies, OpenSource Web-development tools etc. and awareness about its philosophy among students, teachers, software professionals, researchers and general public. Additionally, our focus is also on creating awareness about digital literacy, privacy, and technical debt related issues.

We would also like to associate some budding developers with PFUG who could probably help us with some of the projects which we hope to initiate under **Pune FOSS User Group** and **Debian India**.

## Request for Sponsorship

We request you to sponsor our efforts for promoting Free and OpenSource Software and Debian at Science Day. Pune FOSS User Group does not engage in commercial activities and these FOSS promotions are organized purely voluntarily. Hence, we depend solely on donations from users and benefactors. Also, we expect around 10-15 volunteers. Your support can enable us to bring the FOSS community together for the success of the event.

We need funds for arranging promotional items like Flex, Banners, FOSS Stickers, Posters, T-Shirt printing, DVDs/Pendrives of Debian, Rented Monitors and Computers, and for some operational expenses etc. The funds raised for Science Day will be used towards this purpose only. Any remaining surplus will be used for funding future Free and OpenSource Software related activities under the banner of *Pune FOSS User Group* only.

Future activities will include organizing Science Day in subsequent years, FOSS Meetups, sponsoring Free Software Code Contributions, Debian Packaging Boot-Camps, and Raising awareness for Digital Security/Privacy among individuals especially students.

For our volunteers, your contribution is a strong signal of appreciation for their efforts. Sponsoring PFUG for this event will also create your goodwill in the Free Software community at large. The event can also be used as a source to get the details of qualified and interested candidates in the area of Free and OpenSource software for recruitment and contact-building purposes. Similar activities had also been done by our sponsors in the previous events.

# Sponsorship and Privileges

**Platinum Sponsor: Rs.50,000/-**

## Promotional Deliverables

- \* *Company Name* and logo will appear on the PFUG **website** specifying Platinum Sponsor.
- \* **Looping presentation** about Free and OpenSource Software at PFUG stall will have *Company Name* and its logo specifying Platinum Sponsor.
- \* *Company Name* and its logo specifying Platinum Sponsor on the **brochure** of the event.
- \* *Company Name* and its logo specifying Platinum Sponsor will be displayed on **PFUG stall's** back drop sponsor's flex.
- \* *Company Name's standees/banners* will be put up at event venue. The standees/banners will have to be provided by the Company. Size of each standee/banner should not be more than 6x3 feet.
- \* **Special brochures/flyers** containing *Company Name* logo will be provided to visitors (if provided by the Company).
- \* *Company Name* and its logo on the **Pune FOSS User Group T-Shirts** for the event.
- \* *Company Name* and its logo on **Debian CDs/Pen Drives**, distributed to the visitors during the event.
- \* **Memento with Company Name** will be given to our Platinum Sponsors after the event.

## Opportunity to earn goodwill in OpenSource Community

- \* Sponsoring in the Science Day Event gives you goodwill in the Free and OpenSource Software community at large.

## Deliverables by Platinum Sponsor

- \* Platinum Sponsor will contribute a sum of Rs.50,000/- to Pune FOSS User Group.

**Gold Sponsor: Rs.40,000/-**

### **Promotional Deliverables**

- \* *Company Name* and logo will appear on the PFUG **website** specifying Gold Sponsor.
- \* **Looping presentation** about Free and OpenSource Software at PFUG stall will have *Company Name* and its logo specifying Gold Sponsor.
- \* *Company Name* and its logo specifying Gold Sponsor on the **brochure** of the event.
- \* *Company Name* and its logo specifying Gold Sponsor will be displayed on **PFUG stall's** back drop sponsor's flex.
- \* *Company Name's standees/banners* will be put up at event venue. The standees/banners will have to be provided by the Company. Size of each standee/banner should not be more than 4x2 feet.
- \* **Special brochures/flyers** containing *Company Name* logo will be provided to visitors (if provided by the Company).
- \* *Company Name* and its logo on the **Pune FOSS User Group T-Shirts** for the event.
- \* *Company Name* and its logo on **Debian CDs/Pen Drives**, distributed to the visitors during the event.
- \* **Memento with Company Name** will be given to our Gold Sponsors after the event.

### **Opportunity to earn goodwill in OpenSource Community**

- \* Sponsoring in the Science Day Event gives you goodwill in the Free and OpenSource Software community at large.

### **Deliverables by Gold Sponsor**

- \* Gold Sponsor will contribute a sum of Rs.40,000/- to Pune FOSS User Group.

## Silver Sponsor: Rs.30,000/-

### Promotional Deliverables

- \* *Company Name* and logo will appear on the PFUG **website** specifying Silver Sponsor.
- \* **Looping presentation** about Free and OpenSource Software at PFUG stall will have *Company Name* and its logo specifying Silver Sponsor.
- \* *Company Name* and its logo specifying Silver Sponsor on the **brochure** of the event.
- \* *Company Name* and its logo specifying Silver Sponsor will be displayed on **PFUG stall's** back drop sponsor's flex.
- \* *Company Name's standees/banners* will be put up at event venue. The standees/banners will have to be provided by the Company. Size of each standee/banner should not be more than 4x2 feet.
- \* *Company Name* and its logo on the **Pune FOSS User Group T-Shirts** for the event.
- \* **Memento with Company Name** will be given to our Silver Sponsors after the event.

### Opportunity to earn goodwill in OpenSource Community

- \* Sponsoring in the Science Day Event gives you goodwill in the Free and OpenSource Software community at large.

### Deliverables by Silver Sponsor

- \* Silver Sponsor will contribute a sum of Rs.30,000/- to Pune FOSS User Group.

**Bronze Sponsor: Rs.25,000/-**

### **Promotional Deliverables**

- ✳ *Company Name* and logo will appear on the PFUG **website** specifying Bronze Sponsor.
- ✳ **Looping presentation** about Free and OpenSource Software at PFUG stall will have *Company Name* and its logo specifying Bronze Sponsor.
- ✳ *Company Name* and its logo specifying Bronze Sponsor on the **brochure** of the event.
- ✳ *Company Name* and its logo specifying Bronze Sponsor will be displayed on **PFUG stall's** back drop sponsor's flex.
- ✳ *Company Name* and its logo on the **Pune FOSS User Group T-Shirts** for the event.
- ✳ **Memento with Company Name** will be given to our Bronze Sponsors after the event.

### **Opportunity to earn goodwill in OpenSource Community**

- ✳ Sponsoring in the Science Day Event gives you goodwill in the Free and OpenSource Software community at large.

### **Deliverables by Bronze Sponsor**

- ✳ Bronze Sponsor will contribute a sum of rupees Rs.25,000/- to Pune FOSS User Group.

**Supporter: Rs.5,000/- to Rs.15,000/-**

### **Promotional Deliverables**

- \* *Company Name* and logo will appear on the PFUG *website*.
- \* *Company Name* and its logo will be displayed on **PFUG stall's** back drop sponsor's flex.

### **Opportunity to earn goodwill in OpenSource Community**

- \* Sponsoring in the Science Day Event gives you goodwill in the Free and OpenSource Software community at large.

### **Deliverables by Supporters**

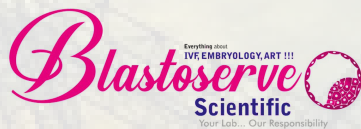

- \* Supporter will contribute a sum of rupees between Rs.5,000/- to Rs.15,000/- to Pune FOSS User Group.
